Biometric and Secure Identity Lab (BaSIL), IIITH

LICENSE AGREEMENT FOR NON-COMMERCIAL RESEARCH USE OF

Flash-Non-Flash Fingerphoto(FNF) Database

I, _____, a _____ (student/researcher), at _____, do hereby undertake as follows:

1. That, BaSIL, IIITH is the original creator of the **FNF Database** for contactless fingerprint recognition. The database as such contains processed, non-reversible, privacy-preserving flash and non-flash fingerprint images captured using a controlled smartphone acquisition setup. As such, the sole proprietary rights and intellectual property rights remain with IIITH alone.
2. That, the FNF database is being made available for the sole purpose of academic research and improvement of technological modules and that at no instance the database will be used for commercial purposes without the explicit written consent of BaSIL, IIITH.
3. That, only such persons can have access, usage and publishing rights as are authorised by BaSIL, IIITH. Provided that no such publishing of any results or research papers or articles or in any other form be it in paper form, online, conference or any other such forum shall be done without proper citation as : " Sahoo, R. ; Namboodiri, A Fusion2Print: Deep Flash-Non-Flash Fusion for Contactless Fingerprint Matching". (Manuscript under review, 2025 and full citation will be added upon publication, until which time "Sahoo, R. ; Namboodiri, A Fusion2Print: Deep Flahs-Non-Flash Fusion for Contactless Fingerprint Matching", BaSIL, IIITH shall be used). Provided further that copies of all such publications shall be emailed to the dataset owners.
4. That, it is explicitly prohibited to modify or redistribute or be used to create any derivative datasets intended for sharing. Further that, there shall be no attempt made to reverse-engineer, reconstruct or infer the identity of any biometric identity or biometric persons.
5. That, access through link is granted only after submission of this signed agreement. Researchers will receive a secure download link valid for 48 hours.
6. That, any violation of any clause of this agreement or the intent of the dataset being made available will result in the immediate termination of access and all copies of the dataset must be deleted. Further that, if in future the authors are bound by internal or such other restrictions from making the dataset available, the same shall be held valid and communicated to any person who previously had access and such person shall be required to delete copies of the dataset if such a communication indicates such requirement.

I hereby voluntarily agree and accept to adhere to the terms and conditions as stated above and the same has been reviewed and agreed by my supervisor whose signature and seal is attested below (if applicable).
